Part III DETAILED ACTION

1. This application has been examined. This office action is in response to the amendment filed on 6/10/03. Claims 1-4 and 6 are being allowed over the prior art of record. Prosecution on the merits is closed in this application. The prior art made of record does not teach or suggest the claimed invention as now recited.

2. In view of the arguments, and after further reviewing the prior art made of record, not teaching or suggesting the claimed invention as recited, prior art of record does not warrant a rejection under 35 U.S.C. § 102 or 35 U.S.C. § 103.

3. The following is an examiner's statement of reasons for allowance:

The applied reference (Yang et al. '589) do not disclose, teach or suggest (in combination with other features of the claim) the claimed limitation of *"executing a single action printer command, determining which default settings to utilize on a target printer, Wherein said step of determining which default settings*

to utilize on said target printer is further comprised of the step of; utilizing a last setting of said printer, wherein said last setting of said target printer is stored in a cookie located in a document composing/selecting means, as now recited in the only independent claim.

Any comments considered necessary by Applicant must be submitted no later than the payment of the Issue Fee, and to avoid processing delays, should preferably accompany the Issue Fee. such submissions should be clearly labeled "comments on statement of Reasons for Allowance".
